

When Allie Monroe has a panic attack, its all bets are off. Her crying jags and knee-jerk reactions to them have made life difficult for her. But when river Dunne re-enters her life after ten long years of being away, she has a brand new set of reasons to freak out. Hes no longer just the polite boy who lived next door, but a deliciously confident and handsome young man. And hes got something that could quite literally erase her traumatic past; hes found a time machine. However, opening the doors to Allies past has soul-splitting consequences for her. And hes got a secret that could push her away for good. But Rivers love runs so deep, he will protect her from the devastating truth no matter what the cost. Even break the most important time travel rule there is. Crossing lines to alter the past can have a disastrous impact on the future. Will their love survive the manipulation of fate? Or will fate have its way after all...
