

Two years ago I managed to crash my sixth business. Failure was rapidly becoming my way of living life. I focussed more on the title of entrepreneur and less on my business. In my world, getting a magazine interview was more important than getting a new client. I was addicted to the limelight and avoiding the fact that I was a failure. My journey was a painful two years and in total it took me ten years of failure to truly appreciate success. In this book, I'll save you ten years of painful slog and teach you how to improve yourself in order to improve your business. You'll learn the tricks of habit, personal growth and goal setting to make sure you can tackle the crazy world of business. My aim is to help you follow your dream, not orders
