

The need for children to learn how to spell has been highlighted recently as reports repeatedly suggest that standards are falling. John Smith Spelling Books are an ideal tool to remedy this situation. They allow children both to learn at school and practice at home with their parents. The books are tried and tested and very popular, providing children with a good grounding, reinforcement, and help with more difficult words. They are full of games and exercises that ensure that an essential skill can be fun to learn. Each book is short and manageable, written so that children succeed and gain a sense of achievement, and enjoy the challenge of the next book. The books are also widely used for remedial work with secondary pupils and adults.
