

Brian Lembeck's "Pulpy" takes life slow and steady. He likes his office job, and he likes his gentle, figurine-collecting boss, Al. He even likes the bitter receptionist, though she's the only one who does. He likes his wife, Midge, too, and their ice-dancing lessons. Midge works as a candle-party hostess - she quit her office job when Al's dog ate her pet pigeon and Al promised Pulpy a promotion. But when Al retires and the tyrannical Dan takes over, the promotion vanishes. And then Dan's oversexed wife, Beatrice, takes a shine to Pulpy, and Dan starts to think Midge is one hot tamale. Soon, the receptionist is smitten with Pulpy, Midge can't get rid of Dan and Beatrice, and Pulpy's job is in jeopardy. For once, Pulpy just might have to take a stand.

Drafts On My Memory: Men I have Known, Things I Have Seen, Places I Have Visited Volume I and II, The Alpha Wolf: A Tale About the Modern Male, Wine World Colouring Book, Puccini: His Life and Works (Master Musicians Series), All City Writers: The Graffiti Diaspora (Paperback) - Common, Australia in the Global Economy: Continuity and Change,
